HERE'S the POINT!

By SPENCE HELD

During the responsive reading at a Point Loma church last Sunday, the congregation came to the line, "And the people shout, 'The Lord reigns!'"

One woman's bifocals betrayed her and she read it, in good voice, as follows:

. . . "'The Lord resigns!'"

Jim Woodworth points out that it's dangerous to leave children in a car while you do your shopping.

Sometimes they release the emergency brake and the car starts rolling and finally crashes; sometimes the children fall out and are injured

The other day a woman left three kids in her car . . . It backed up and ran into the plate glass window of a food store, smashing it, Woodworth reported.

Point Loma High's 20-7 loss to Lincoln Friday was hard to take but this was a game that could have gone either way and the locals still can salvage a successful season.

Actually, it was a case of too much Russ Boehmke. This lad is a slicker—he runs and passes with skill, speed and grace. His long throws were bloopers and easy to knock down but the short pinpointers did a lot of damage.

Point Loma led, 7-6, going into the fourth quarter. Then Brother Boehmke, behind sharp blocking, raced around end for 50 yards and a TD—and that was the old ball game.

Well, I finally saw "Around the World in 80 Days," and the blurbs are right.

There's enough color, action and music for anybody—and the humorous satire is there for those who tire easily of horse opera . . . Or elephant opera.

(The chase following the Sioux attack on the train could be cut.)

Let's face it: "Around the World" is gorgeous entertainment.

A thought for today:

"Man alone suffers so excruciatingly in the world that he was compelled to invent laughter.

Yellowtail Catch Expected To Top 200,000 Mark

Yellowtail fishing at the Coronado Islands continued to roll along at a torrid pace this week, leaving dedicated anglers more confident than ever that the season's catch will soon top the 200,000 mark.

A take of 1098 yellows last Saturday, highlighted by a one boat haul of 179, brought the season's total to 187,908 and put the goal within easy reaching distance.

Among Point Loma-Ocean Beach anglers who made exceptional catches of yellows were Mr. and Mrs. Hal Simpson, Bert Hebner, Jack Anderson, and others.

Point Loma High Football Team Takes On St. Augustine Friday

Point Loma High School's football team, defeated by Lincoln 20-7 last week, is scheduled to play St. Augustine Friday at 8 p.m. at the La Jolla High field.

The Lincoln game was a thriller throughout and Point Loma made a close thing of it until the final period when the Hornets tallied twice.

Neither team could score in the first quarter although Russell Boehmke, Lincoln quarterback, got loose around end for a 48-yard touchdown jaunt that was nullified by a penalty.

Boehmke clicked with passes in the second period and Dick Carey finally went through the line for a touchdown from one yard out. The try-for-point failed and Lincoln led 6-0.

Point Loma narrowly missed tying it up when a blocked punt gave them the ball on Lincoln's 10-yard line and a pass, Roger Soares to Roger Sneed, almost scored just before the gun.

In the third period Point Loma started a drive from midfield featuring another Soares-to-Sneed pass and a gallop by Bill Bradford that put the ball on the Lincoln 15-yard line. A penalty cost five yards. Then Soares threw a beauty to Doug Minton for a TD, and Soares kicked goal to make it 7-6 Point Loma.

Came the fourth quarter and Boehmke's blockers sprung him loose for a 50-yard touchdown dash around end. The kick was good. Lincoln 13, Pt. Loma 7.

That was enough to win but the Hornets added another TD when John James capped a final drive by running it over on third down.

CWU Footballers Will Play State Frosh Next Week

Cal Western University's football team will rest on its laurels this week but has a game scheduled wtih the State College Freshmen Saturday, Oct. 26 at 2 p.m. in Aztec Bowl.

The locals knocked off University of California, Riverside, 21-19 at Riverside Saturday, the margin of victory being a safety (2 points) scored in the first period.

CWU touchdowns were scored by Bill Caughey, 60 yards with an intercepted pass; Pat Briggs, 26-yard pass-run from John Ricketts; and Caughey, six-yard run.

Coach Al Lewis said the victory represented a team effort.

Outstanding were Dick Smith, end; George Bjornstad and Wayne Cassity, guards; Gene Corbin and Al Schnoebelen, tackles; Lester Bible, center; Bobby Jones and Ted Anderson, halfbacks. Doug Davis did a good job at halfback until he suffered an ankle injury.

Chamber Approves Plans For Boulevard

Ocean Beach Chamber of Commerce directors, meeting Tuesday, approved City plans for completion of Nimitz Blvd. (formerly Wabaska Dr.).

H. J. La Dou, chairman of the Chamber's Beach Improvement Committee, who, with Atty. David H. R. Pain, conferred recently with City officials, outlined the City's plans to directors.

La Dou explained the City was unable to obtain the necessary land from the Navy for a circle approach or cloverleaf at Voltaire St., but plans call for a "pocket" approach from Nimitz Blvd. to Voltaire, thereby connecting it with Ocean Beach.

Continuation of Nimitz Blvd. through Collier Park and across the Mission Bay Park sand fill to connect with Sunset Cliffs Blvd. near the flood control channel, is expected to be built within a year, La Dou reported. At present Nimitz Blvd. is being widened from Rosecrans St. to the vicinity of Voltaire.

"We had feared," said La Dou, "that Ocean Beach was being bypassed, due to the fact that Nimitz Blvd. actually will go under Voltaire via an underpass. However, plans to build a 'pocket' approach to Voltaire seem adequate in view of the circumstances."

United Fund's Health Foundation To Support Research, Treatment

Citizens of San Diego County will be able to support programs of medical research and treatment with their single contribution through the United Fund, it was announced today by Murray Goodrich president of the newly formed Health Foundation of San Diego County.

Three Peninsula area residents have been named to serve on the Health Foundation's Board of Trustees. They are Jack Ashe, 3544 Jennings; Brooks Crabtree, 3009 Seville; and Dr. Robert J. Prentiss, 807 Golden Park.

The new Health Foundation will seek funds through the United Fund for programs of medical research and treatment for heart disease, cancer, polio, muscular dystrophy and other dread diseases.

One Campaign

Goodrich said that the new Health Foundation will "make it possible for people to do their giving in only one campaign, and still support programs of medical research and treatment."

He said that he and his Board of Trustees will be responsible for purchasing research and treatment from hospitals, clinics and other medical centers in accordance with the wishes of United Fund contributors.

The new organization has been included in the United Fund's $4,250,000 objective for a total of $586,609. Multiple Sclerosis Society, Cystic Fibrosis, Epilepsy Society, Hear Foundation, Myasthenia Gravis, City of Hope, United Cerebral Palsy Association and Cerebral Palsy Foundation are already included in the United Fund as direct beneficiary units.

Health Services

Health services such as Guadalupe Clinic, Children's Hospital, Visiting Nurses, San Diego County Hearing Society, Coronado Hospital, American Social Hygiene Association, Child Health Hevodving Fund. Door of Hope, Child Guidance Clinic, and Mental Health Association are included as agencies of one of more of the nine Community Chests in the County.

The Health Foundation was created, Goodrich said, because "the givers in this community are determined to do all their giving through the United Fund. We are also determined to support vital medical research and treatment.

"With nearly 100 agencies agreeing to receive their operating funds through the United Fund, either directly or through one of the nine Community Chests in the county, only four health agencies have said 'no' to the wishes of people to have a single campaign. The Health Foundation is the only way to have a single campaign which includes support for research."

Plans Announced

Goodrich said that the Health Foundation is not now planning to give direct service, but rather to purchase services through existing agencies and research centers.

Members of the first Board of Trustees will include, in addition to Goodrich, Jack L. Ashe, International Association of Machinists; Mrs. A. J. Bard; Willard M. Calkins; United Auto Workers 506; Maurice J. Collins, International Brotherhood of Electrical Workers 569; Brooks Crabtree, attorney; Frederick G. Hollander, M.D.; Edmund L. Keeney, M.D.; Herman Snodgrass; John F. Wanless, M.D., and Robert J. Prentiss, M.D.

MR. AND MRS. W. R. CLEMMONS

Carey-Clemmons Wedding Held At St. Rita's

By ANNE MATTHIAS

Miss Margaret Carey, daughter of Mr. and Mrs. Frank I. Carey, 804 Bonsall, St., was married to William R. Clemmons, son of Mr. and Mrs. Harold F. Green, 1510 Santa Barbara, on Sept. 28 at St. Rita's Catholic Church. Father John Gallagher performed the double ring ceremony before the white gladiola and chrysanthemum banked altar at 10 a.m.

[illegible]de's gown was of white pleated nylon and imported lace. Styling followed a fitted bodice of embroidered pearls and sequins, a sabrina neckline and long tapered sleeves. A cascade of nylon pleated tiers formed the chapel length train. Her fingertip veil fell from a pearl embroidered cap. White orchids, chrysanthmums and stephanotis made up the bridal bouquet.

Miss Mary Raissneider was maid of honor, and wore pink chiffon with matching accessories. Miss Patricia Trujillo and the sister of the bride, Mary, were bridesmaids. Their gowns were of turquoise lace. The flower girl, Julie Greeno, carried silver roses, as did the maid of honor. The bridesmaids carried gold roses.

Lee Lacy assisted the groom as best man. Richard Carey and John, Kuolt were ushers.

Members of the wedding party and the immediate family gathered for a wedding breakfast after the ceremony. A reception for 250 guests was held at the Marlin Inn at two that afternoon. The bride's mother received in a lace dress of champagne beige. The mother of the groom wore a mink brown embroidered lace dress.

The couple left for a weekend trip to Laguna Beach. They are now residing at 822 Avalon Court, Mission Beach. The groom will return to the University of San Diego in January to continue his law studies.

Bible Comment:

Marriage Is Man's Holiest Relationship

THE Bible is nowhere a richer and safer guide than in all that concerns the sexes and the relationships of man and woman in marriage, home, family and society.

Just as man at his worst has abused and misused the most precious things that God has given, so man at his worst has made the sex instinct an instrument of debasement and foulness. Man has made his soul, which might be attuned to love and righteousness, an instrument of hate, and his wonderful and beautiful body an instrument of violence.

But we should not allow that to blind us to all that is noble and good.

We speak of "holy matrimony" and there is nothing holier than a relationship of mutual love and loyalty. Two souls then share privilege and responsibility, bearing and forbearing, in lives that are pledged to truth and right.

It is on such a foundation that the Christian home is built. Nothing less could be fully adequate as an environment for the bringing into the world of new lives.

This is the ideal that we should always strive after. The fact that it is not always attained should not lessen the thought of it as the only adequate standard.

Perhaps, considering all the problems and difficulties of marriage and home in the most intimate relationship of which man is capable, the marvel is not that so many marriages fail, but [illegible]

WHO'S WHO
in San Diego County?

Mr. Seymour Progress

You see more progress in San Diego County these days because of this gentleman and other members of underwriting groups organized by Bank of America. These groups purchase San Diego County school and municipal bonds, providing more classrooms for our youngsters, new hospitals, libraries and other needed public facilities. During the last five years *alone* more than $32,500,000 in San Diego County bond issues have been purchased by such Bank of America groups. This is another very important role local Bank of America branches play in the building of San Diego County. We're statewide, sure... *but local, too!*

YEA, POINT LOMA!

The Peninsula area may well be proud of its two representatives on San Diego State College's football team, Jerry Ohlin (our "old" paper boy. Hiya Jerry) and Jerry Booth.

Ohlin, an outstanding tackle, usually is in the starting line-up. He turned in a terrific performance against the Marines Saturday night. (My scout for the News said that, according to his scratch pad, the Marines should have beat State 50-0. Instead, score was 20-7!)

Freshman Jerry Booth, who bypassed the frosh squad to make varsity his first year, has turned in some fine plays. He made the final tally of the game Oct. 5 with La Verne. Of Booth, Coach Paul Governali predicts "a great future."

NO KICK COMING

A Point Loma matron hurt her toe and had to wear a bedroom slipper on her right foot. After a couple of days she grew tired of explaining her accident to friends.

So next time she was asked why she was wearing two kinds of shoes, her reply was: "I just thought I'd give the shoe bandit a choice."

SAME DIFFERENCE

According to a S. D. columnist, the waitresses who follow the ships from port to port are referred to by the sailors as "sea gulls." Dungaree Dan says that in his day they called them "Follies Girls."

FIRST

Mrs. Nathan Kreuger, of 2836 Addison St., was among the first 17 women in San Diego to receive a 600-hour service pin awarded recently at the Navy Sewing Center which is sponsored by the Navy Relief Society.

"We make garments for layettes and usually average a garment an hour. But I think I must have made more than 600 little kowns and kimonos," said Mrs. Kreuger.

A member of Navy Wives Club 3, Mrs. Krueger won her pin in less than a year. "I hope to be among the first in San Diego to win the meritorious award which calls for more than 1000 hours," she said.

OVERHEARD

Two State College freshmen were discussing their favorite subject when we walked up.

Giving us a nod of recognition, one youth continued his conversation: "I've summarized it to this point. I know, or at least I think I know, that when a girl says 'No,' she means 'maybe,' and when she says 'maybe' she means 'yes.' But what I want to know it this: What does she mean when she just says 'Phooey!'"

GRUESOME GRUB

Getting a jump on Halloween's goblins, some ghoul of a chef at a nearby restaurant hopes to entice the dine-dance trade with the following menu for the bewitching hour: Lobster tails of old hags, roast prime rib of Frankeinstein (au jus), top sirloin of discontented spirits and half dozen ghastly fried shrimp."

With the entree he is offering "uncanny baked potatoes with sour screams, wicked rolls and pumpkin pie a la vampire."

Hungry? You bet! We've always believed that rose by any other name would smell as sweet.

HITHER, THITHER, YON

Mrs. Ted Schroeder entertained with a morning "coffee" Friday for Mrs. Robert Hayne, of Phoenix, who is visiting her son-in-law and daughter, Mr. and Mrs. Frederick Carlyle Thompson, of 3035 Lawrence St. Mrs. Hayne and Mrs. Thompson are planning a trip to Honolulu next spring. They plan to arrive in time to enjoy the famous May Day celebrations in the islands.

Mr. and Mrs. Joseph Cantor are settled now in their ultra modern apartment building at 5077 Del Monte Ave. Their apartment has an all-glassfront, overlooking the ocean.

Many of the paved highways that run through New Mexico have been laid out along ancient trails, according to the National Automobile Club.

Ticklers By George

HEALTH FOR ALL

Virus Japan 507.

That's the official name of the bug that may cause us a lot of trouble now that the influenza season begins. Cases of this new import from Asia were relatively few in the summer months, but we can expect them to increase in fall and winter. Whether or not Asian flu will be as rampant in this country as in the Far East we can't yet tell, but it's possible that 15 to 20 percent of us will be hit.

The disease itself can be expected to be rather mild—so there's no occasion for hysteria. However, the effect on any community, if large numbers are sick at one time even for a few days, can be serious. Fortunately, vaccine will be available at least for those in essential occupations such as medical, fire, police, but there may not be enough for everybody.

If you do catch Asian flu, it will hit suddenly after a one- or two-day incubation period. At first it may seem just like a common cold with a runny nose and sore throat. But there will also be fever, headache, aching muscles and joints, and that feeling of being "tired all over."

There's no specific treatment, but aspirin and rest will help you get through the three to five days' course of the disease with the least possible suffering. Rest, too, is important to prevent "hitch hikers"—more serious secondary illnesses such as pneumonia.

You can help slow down spread of the disease as well as avoid secondary infections by taking yourself out of circulation as soon as you notice any symptoms.

Watch for advice and instructions from public health officials in your community. If an epidemic should strike, they'll tell you what to do.

(This column is sponsored, in the interest of better health, by the San Diego County Tuberculosis and Health Association.)

The Indians of eastern New Mexico developed an efficient but dangerous method of buffalo hunting before the introduction of the rifle, according to the National Automobile Club. Dressed in wolf skins, a hunter would creep into the center of a herd and kill two or three buffalo with a lance before the rest stampeded.

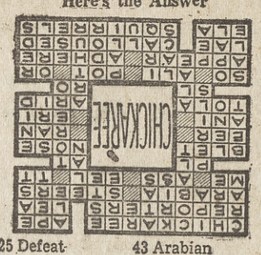

Train-car crashes in the United States killed 1,280 persons during 1956, reports the National Automobile Club.

CHRISTIAN SCIENCE LESSON-SERMON

The atonement of redemption from sin and of establishing man's native at-one-ment with the Father, God, is the subject matter of the Lesson-Sermon, "Doctrine of Atonement," in all Christian Science churches on Sunday.

"Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and Love," says Mary Baker Eddy in a passage from "Science and Health with Key to the Scriptures," which will be read during the sermon. It continues, "Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage"(p.18).

These words of Christ Jesus recorded by the beloved disciple, John, are a part of the sermon, "My sheep hear my voice, and I know them, and they follow me: . . . My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand" (10:27,29).

"Turn us again, O Lord God of hosts, cause thy face to shine; and we shall be saved" are the words of the Psalmist (80:19) used as the Golden Text.
